

October 2025

Dear Valued Patient,

We are excited to share some important news with you about the future of your eye care.

Maryland Vision Institute will be moving our Frederick office to a new, state-of-the-art location to better serve you. Beginning early January 2026, all appointments will take place at:

Maryland Vision Institute
112 Thomas Johnson Drive
Frederick, MD 21702
301-791-0888

In addition to this move, we are pleased to welcome the Busack Eye Care team, who will be joining us at our new location and becoming part of Maryland Vision Institute. Together, we will be combining our teams, expertise, and resources to provide the same personalized, high-quality care you have come to expect over the years.

Your medical records will transfer automatically to our new location, so there is nothing you need to do. You will continue to see the same doctors and staff you know, with the added benefit of an expanded team of providers, specialists and support staff who are available to care for you and share the same commitment to exceptional eye care. If you already have a future appointment scheduled at our Frederick office, we will send you additional communication and reminders ahead of your visit.

We are grateful for your loyalty and trust, and we look forward to welcoming you to our new location. If you have any questions or would like to schedule your next appointment, please don't hesitate to call us at 301-791-0888, or visit our website at www.marylandvisioninstitute.com.

Thank you for choosing us for your eye care. We're honored to continue serving you at our new Frederick office.

With appreciation,

The Providers and Staff of Maryland Vision Institute
